California Cancellation and Refund Policies

Following are the key terms and conditions of the College's cancellation and refund policies:

Student's Right to Cancel:

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time, and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current term in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following addresses: Fremont College, 18000 Studebaker Road, Suite 900A, Cerritos, CA 90703 or 3440 Wilshire Blvd., 10th Floor, Los Angeles, CA 90010. This can be done by mail or by hand delivery. Cancellation may also occur by the student's non-attendance through the end of the add/drop period.
3. The written notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
4. If the Enrollment Agreement is cancelled, the school will refund the student any money he or she paid, less a registration or administration fee, not to exceed \$250, and less any deduction for **books and** equipment not returned in good condition, within 45 days after the notice of cancellation is received.

Supervised Hours

Students enrolled in the Massage Therapy and Sports & Rehabilitation programs are required by CAMTC to attend at least 500 supervised hours of the program. Therefore, all absences during the first 500 hours of the supervised core courses must be made-up by the student (this does not include general education courses). Course work will be made up in a timely manner. The make-up sessions should occur during the college's regular business hours and only when an instructor is available. Make-up work must be documented by the instructor as being completed and should include the date, time and duration of the make-up session. In addition, students enrolled in the Sports & Rehabilitation program are required to attend a minimum of 70% of the supervised **840** clock hours.
